PETITIONS

Are Still Being Received by Congress-man Neely in Washington.

WASHINGTON, D. C., April 29.— Congressman Neely is still receiving petitions favoring the passage of legislation looking to national prohibition of the liquor traffic. He has filed with the House petitions from the Baptist Sunday school at Glen Falls, the Rev. W. J. Judy and twenty-four others at Glen Falls and W. D. Phillip and forty-five others, of Cameron.

In spite of their smaller area, Germany, Austria and Russia produce more potatoes than the United States. Philadelphia is building so many new schoolhouses that it will soon be able to give full time to every pupil.

If your skin itches and burns with eczema or other tormenting, unsightly skin trouble, simply wash the sore places with Resinol Sosp and hot water, dry, and apply a little Resinol Oint-

ment.

The itching stops instantly, you no longer have to dig and scratch, sleep becomes possible, and healing begins at once. That is because the soothing, antiseptic Resinol medication strikes right into the surface, arrests the action of the disease and lets the tortured, inflamed skin rest, almost always restoring it to perfect health—quickly, easily and at little cost.

Resinol Soap and Resinol Ointment

Resinol Soap and Resinol Ointment are also speedily effective in even severe and stubborn cases of pimples, black-heads, dandruff, sores and piles. Preheads, dandruit, sores and place. Thousands Experience Bad After Effects From This Dangerous Drug

Safe Vegetable Substitute is Dr. Edwards' Olive Tablets for the Liver

Dr. F. M. Edwards, a prominent physician of Ohio, has discovered a laxative and liver toner in a combination of vegetable materials mixed with olive oil, which is in effect almost exactly like calomel, except that there are none of the bad after effects.

Dr. Edwards has long been a foe of calomel, though he recognized its value along with its dangers.

Hisedistrust of the uncertain drug eventually started him, years ago, towards experiments with the view of discovering a substitute, and he has been for several years in possession of the long-sought-for combination, which is in the shape of a little sugar-coated, olive-colored tablet.

They are called Dr. Edwards' Olive-Tablets. And their effect on the liver has been the means of relief to many of Dr. Edwards' regular patients as well as to thousands of others who have suffered and were afraid of calomel.

There is no necessity, when you take Dr. Edwards' Olive Tablets, by following them up with nasty, sickening; griping salts, or castor oil, as you do after taking calomel. Try them. 10e and 25c per box. The Olive Tablet Company, Columbus, O.
